

Dear WGASC Instructors and Directors,
Happy 2012 Winterguard season from your WGASC Steering Committee!

You may be thinking “What is a Steering Committee?” We are a group of presidentially appointed WGASC members that have been tasked to bridge the dialogue between the circuit administration and the membership. The 2012 Steering Committee Members are:

- Missy Samson: Kraemer MS, WGASC Judge
- Lorraine Kohagen: Valencia HS (Val), WGASC Judge
- Jim Goodrich: El Toro HS, Creative Costuming & Designs, WGASC Judge
- Chris Velez: Poway HS, Rowland HS, Fantasia, Chino Hills HS, Ramona HS
- Joey Valenzuela: Whittier HS, Alta Loma HS, La Serna HS

This committee is very similar to the Advisory Committee of the last few years. The names and people may have changed, but the goal and purpose is the same.

So, how can we help you?

If questions or concerns arise throughout the season, feel free to contact us at a show or via email. Our emails are listed on the website, and can be found on the “Contact Us” page for Steering Committee. If we cannot answer your question, we can put you in contact with someone who can.

Any concerns that are brought up throughout the season will be discussed as a Steering Committee first and then brought to the Executive Committee for further discussion. We want to address issues as they arise, instead of waiting for the spring meeting at the end of the season. The sooner we can discuss it, the faster we can find a solution!

So please, as soon as something is unclear or incorrect, come talk to us. We aim to help guide the decision making process of the circuit to promote growth, education and competitive equality.

Best wishes on a successful 2012 season!

2012 WGASC Steering Committee
